Meeting start time: 6:30 PM

February minutes put on hold

President's Report:

Masks: Are we making masks. Home made masks are not helpful right now. Not accepting them. Sew up quilts the quilt squares for community service quilts. Maren will send out an E- Blast.

Rent: we do have an agreement with them. Not sure where we stand. A suggestion was made that we request a credit for March since we can not have access to the building. We pay 3 mo at a time Jan-Mar paid, not stipulated in rental agreement that we pay 3 mo together, its our practice. Pay one month at a time going forward. End of this year's lease is the end of May. Maren will craft a request tomorrow.

QuiltAway: still on as of yesterday, though there is a good chance that we may have to cancel.

Newsletter: get things in. Newsletter was mailed out by a team of volunteers headed by Dianne Torres.

Website – Cathy Miranker Recent changes on the web site point visitors in several ways to information on the liberated-cross block community outreach project. Jessica Church informed me of the project on March 17, and the changes were implemented by March 19th. They include a new home-page banner, a page devoted to the project (<https://www.sfquiltersguild.com>), a reference and link in the introductory text on the home page, and a reference and link on the Community Outreach page.

I passed info on the project, plus a link to the new page, to Holly Gatto, with the suggestion that it might make a good series of posts on Instagram.

QuiltAway – Jeanne Matysiak I have been in contact with Walker Creek. They cancelled all of their April activities. Our reservation for June remains with no changes. I have been assured if they do have to cancel in June, they most definitely would work with us to reschedule for a future date.

I have been receiving and depositing participant fees. To date only one member has determined it would be necessary for health reasons to cancel. I will work with Gloria to co-sign a refund check.
